To all students of our partner school in Rwanda,

We are students going to different classes at BBS-Lahnstein, your partner school in Germany. We took part in a workshop this year. There we made "friendship bracelets" for the first time. We learned this from Mrs. Maibach who works as a social worker at our school. The wool was donated, and no money was spent on it.

It was a lot of fun and different compared to the regular lessons. Now it's "Rwanda Week" at our school. There we offer different things to collect money for you. We went to the classes with our friendship bracelets, and we sold all of them in one day!

For the bracelets we asked for a donation of at least 1 €. Since all the bracelets were sold, we collected 85 Euros and there was also an extra donation because we collected the money for your school so you can build a school kitchen. We don't know how much more we'll be able to collect during "Rwanda Week", but we hope it will be enough for you to build the kitchen.

Greetings from Germany and we hope, you'll write back to us!

Best regards,

Michelle, Miranda and the rest who participated in this project
